Target boost level: _____

Does the vehicle have an intercooler? (Circle) YES / NO

Part 5 - Tuning Notes

Please use this section to provide any other information for Countryside Classics, as well as make any special requests for the calibration of your vehicle. Please understand that not all requests may be met due to legal, unsafe, or mechanical restrictions.

I understand that **Countryside Classics** offers a 30 day satisfaction adjustment to calibration related issues. After 30 days expires, the customer will be held liable for cost incurred for tune calibration related issues.

I understand that by signing this document, I authorize **Countryside Classics** to perform up to one hour of diagnostics and repair (**billed at \$110/hour**), should a minor mechanical issue prevent the tuning calibration process to be completed. Should further mechanical diagnostic and/or repair be required, **Countryside Classics** will contact the undersigned for further approval.

I hereby acknowledge that this form has been filled out to the best of my ability and **Countryside Classics** cannot be held liable for any issues that arise from incorrect information.
