

LIABILITY RELEASE, DISCLAIMER, , AND DIAGNOSTIC EQUIPMENT USE WAIVER

The undersigned would like to utilize the diagnostic testing equipment (Mustang Dynamometer) of **CountrySide Classics** for my automobile.

I understand that due to the nature of testing to be performed on my automobile by the undersigned, there is a potential risk of damage to my automobile and its performance, and I am assuming this risk.

I understand that **CountrySide Classics** offers no warranty of any kind, whether expressed or implied, as to the testing equipment. To the extent permitted by law, I agree that CountrySide Classics total liability, and my total recovery, for any damage to my automobile relating to or arising out of my use of testing equipment to the total amount I paid for the testing.

I hereby agree to release, indemnify, and hold harmless **CountrySide Classics** and its employees from any liability for any claims or damages of any kind or description whatsoever other than the actual amount I paid for the use of testing, even if caused by the negligence of **CountrySide Classics**, its employees, or agents.

In no event or under no circumstances shall **CountrySide Classics** or **Mustang Dynamometer** be liable for special, incidental, consequential, or punitive damages, including, without limitation, damage to other property, inconvenience, loss of goodwill, lost profits or revenue, loss of use of my automobile, cost of a substitute automobile, down time costs, other equipment costs, or any other legal theory.

I hereby waive the right I have to bargain for a different waiver liability. I have considered that if this waiver of liability was not as broad as it is, the cost of the use of the diagnostic testing equipment would be considerably more expensive and since I do not want to pay more for this diagnostic testing equipment use, I waive my right to bargain for different waiver of liability terms.

The undersigned shall be responsible for any sales or use tax imposed on **CountrySide Classics** as a result of the undersigned's use of the testing equipment.

I understand that **CountrySide Classics** offers a 30 day satisfaction adjustment to calibration related issues. After 30 days expires, the customer will be held liable for cost incurred for tune calibration related issues.

I understand that by signing this document, I authorize **Countryside Classics** to perform up to one hour of diagnostics and repair (**billed at \$110/hr**) should a minor mechanical issue prevent the tuning calibration process to be completed.

I understand that the proper amount and type of fuel is needed to complete the diagnostic process. Should additional fuel be needed to complete the diagnostic process, I authorize **Countryside Classics** to ADD fuel to the vehicle at a cost of fuel **PLUS \$20.00 for technician labor**.

I hereby authorize repair work to be done along with the necessary material, and hereby grant **Countryside Classics**, its employees, or agents, permission to operate the car, truck or vehicle herein described on streets, highways or elsewhere for the purpose of testing and/or inspection. An express mechanics lien is hereby acknowledged on described automobile to secure the amount of repairs thereto.

I understand that this is an important legal document and I have read and understand the entire release before signing below.
